STEVE SESKIN

Greetings! I've been writing a lot of new songs lately. Check out the new [free download](#) this month. It's called *Without You With Me*, a new song I wrote with [Allen Shamblin](#). I'm not doing too many shows in the next few months but I wanted to make sure to tell you about two very special bay area house concerts with me and an amazing new singer I've been working with named [Jamie Floyd](#). She is coming to the bay area for a week to write songs with me and I thought it would be great to do a couple of shows so you could hear this great young talent. We hope to see you at one of the shows. Take care and thanks for your continued support....

Peace and love,
Steve
